Tender Notice

Bureau of Civil Aviation Security (BCAS), M/O Civil Aviation, Govt. of India, invites Online bids through Central Public Procurement (CPP) Portal (URL:- <https://eprocure.gov.in/eprocure/app>), from reputed and experienced bidders to participate in the competitive bidding process for solution design, development (including software development, hardware procurement, installation & commissioning), roll-out and implementation of contact-less smartcard based biometric Access Control System at all Civil Airports including Civil Enclaves across the country.

Further instructions for obtaining the RFP document may be available for download from the above mentioned CPP Portal within 15 days.

Interested bidders are requested to enroll in the portal with their Digital Signature Certificate, Class II or Class III with signing usage (DSC) for online participation in the tender.
